

Stoma Alarms

The Colostomy Association does not recommend individual companies or their products. The following is a selection that may assist in the management of your condition.

Ostom-i-Alert

The Ostomi-i-Alert device clips onto any ostomy bag sending Bluetooth alerts to an app on your mobile telling you that your bag is filling up.

StomAwake – Northumbria Systems Ltd

The StomAwake alarm clamps onto your bag with magnets. As it fills up, the magnets gently part and set off the alarm before the bag overfills.
